Series Lounge
HiBack seating elements.

Upholstered-furniture range with the elements stool, seat bench, easy chair and sofa - based on curved 60° or 90° elements with backrest. With function seam between seat surface and backrest for inserting variably positionable armrest.
Construction consisting of an inherently stable body of wood material with foam upholstery and wadding-fleece padding.
Frame made from chrome-plated circular steel brackets with two seating heights with plastic, felt or dual-component universal glide elements and height adjustment.
Combination. Individual elements can be combined to create seating landscapes.
The following material groups are available to choose from: Frame made of steel: M(chrome-plated); Fabric cover: S16,45,46,51,53.
