

PRODUCT INFORMATION S901-FassPla-STST_TY_US - 06.12.2016 - www.vs-furniture.com

Series 901 Conference table, barrel-shaped top with two posts with disc foot.

Construction with a centrally-positioned tubular-steel cross-member and welded-on brackets.

Table top is a LIGNOpal (melamine-resin), veneered or linoleum-covered chipboard with plastic or wooden edges. The corners are rounded.

Electrification (optional) is provided 1.) by means of push-on plastic cable clips or 2.) fabric troughs hinged on one or both sides.

Cable outlets (optional) are achieved 1.) through metal outlets or 2.) E-boxes for power and data connections.

Supporting element (refer to table for position) consists of two posts of powder-coated steel each with disc foot (stainless-steel cover).

The following material groups are available to choose from: Frame made of steel tube: M2; Top made of LIGNOpal-plastic/beechn: L6; Top made of linoleum: L8; Top veneered: F1.
